License Restrictions Warranty/Consequential Damages Disclaimer

This software and related documentation are provided under a license agreement containing restrictions on use and disclosure and are protected by intellectual property laws. Except as expressly permitted in your license agreement or allowed by law, you may not translate, broadcast, modify, license, transmit, distribute, exhibit, perform, publish, or display any part, in any form, or by any means. Reverse engineering, disassembly, or decompilation of this software is prohibited.

Warranty Disclaimer

The information contained herein is subject to change without notice and is not warranted to be error-free. Sigma Designs and its affiliates are not responsible for and expressly disclaim all warranties of any kind with respect to this documentation and will not be responsible for any loss, costs, or damages incurred due to the use of this documentation.

Restricted Rights Notice

If this is software and/or documentation that is delivered or accessed by the U.S. Government or anyone licensing it on behalf of the U.S. Government, the following notice is applicable:

U.S. GOVERNMENT END USERS: Any Sigma Designs software, hardware and/or documentation delivered to U.S. Government end users are "commercial computer software" pursuant to the applicable Federal Acquisition Regulation and agency-specific supplemental regulations. As such, use, duplication, disclosure, modification, and adaptation of the programs and/or software or documentation, including any integrated software, any programs installed on hardware, and/or documentation, shall be subject to license terms and license restrictions applicable to the programs. No other rights are granted to the U.S. Government.

Hazardous Applications Notice

This software and/or documentation is developed for general use. It is not developed or intended for use in any inherently dangerous applications, including applications that may create a risk of personal injury. If you use this software and/or documentation to create or facilitate the creation of dangerous applications, then you shall be responsible to take all appropriate fail-safe, backup, redundancy, and other measures to ensure its safe use. Sigma Designs and its affiliates disclaim any liability for any damages caused by use of this software and/or documentation in dangerous applications.
